. . . No man is an island, entire of itself; every man is a piece of the continent, a part of the main. If a clod be washed away by the sea, Europe is the less, as well as if a promontory were, as well as if a manor of thy friend's or of thine own were. Any man's death diminishes me because I am involved in mankind, and therefore never send to know for whom the bell tolls; it tolls for thee . . .

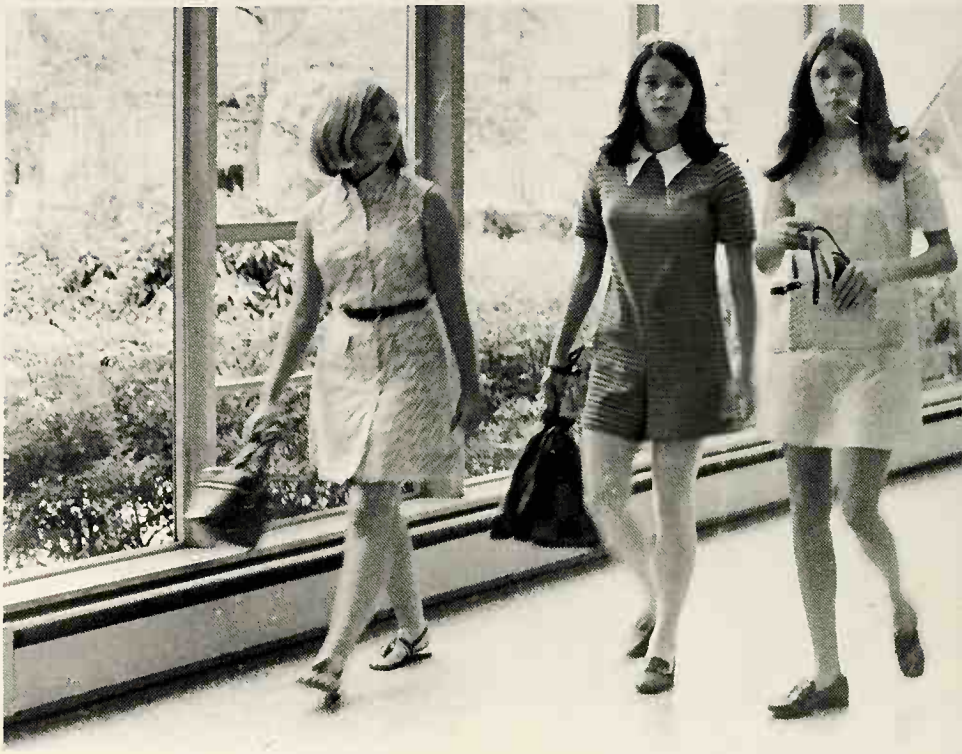
John Donne

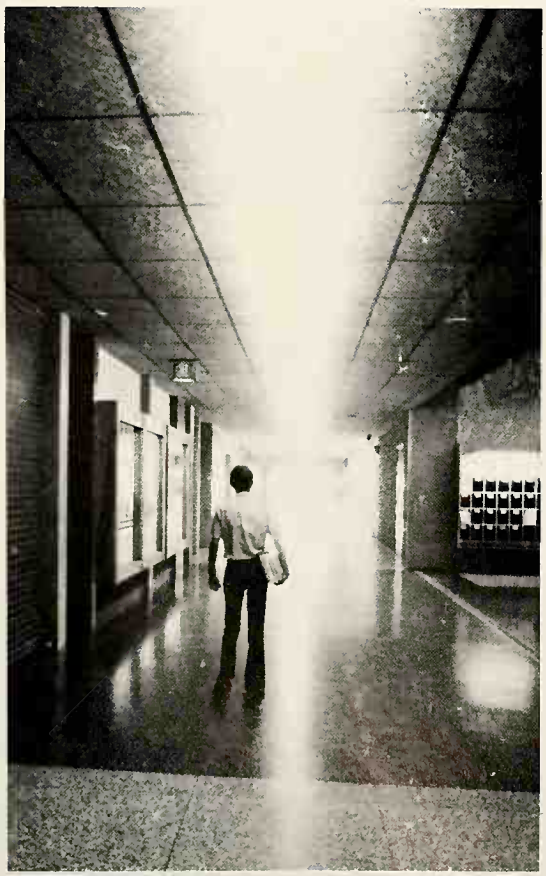
Self-Expression--Doing Everyday

1969-70 offered students at FHS more opportunities to express themselves than ever before. In addition to the traditional classes and activities, such innovations as the study carrels, the students lounge, and open lunch periods were provided to give a greater choice in the use of free time.

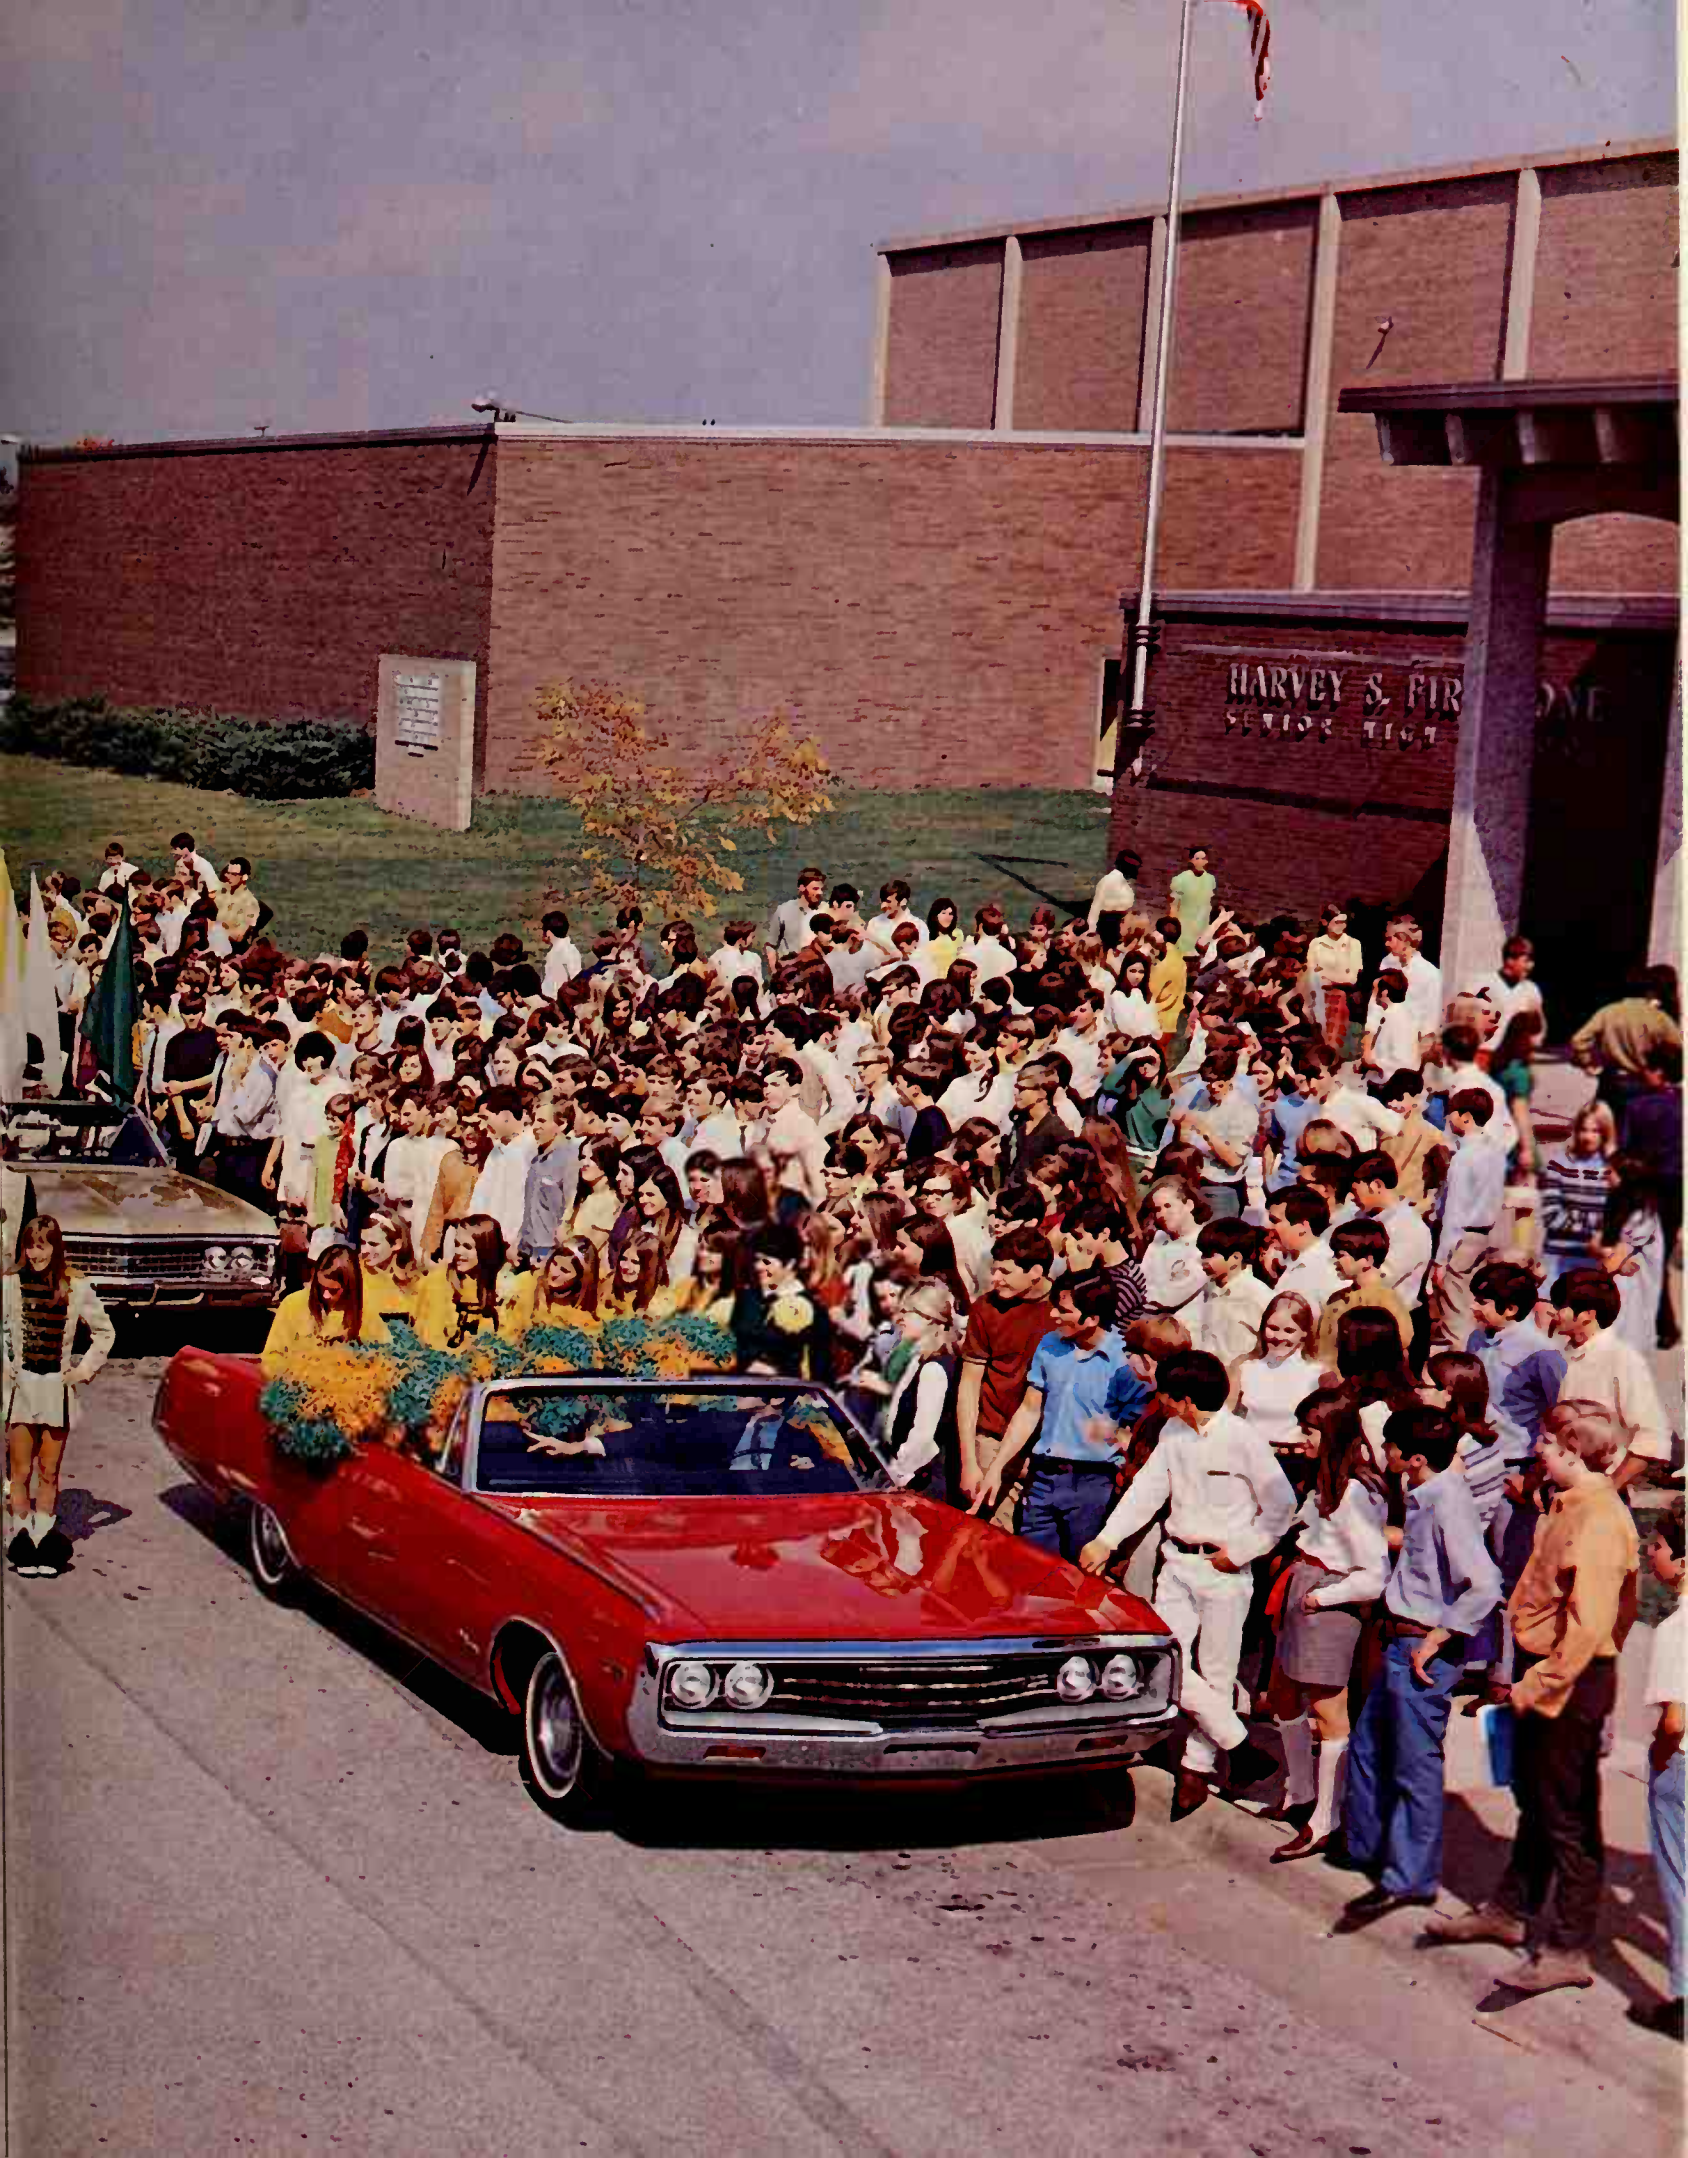
Optional study halls and open library privileges, as well as the new courses such as Russian and drama, were available to further the special interests of individual students.

Each Falcon's preference in hairstyle, clothing, and general appearance brought a greater variety and diversification to the school scene.



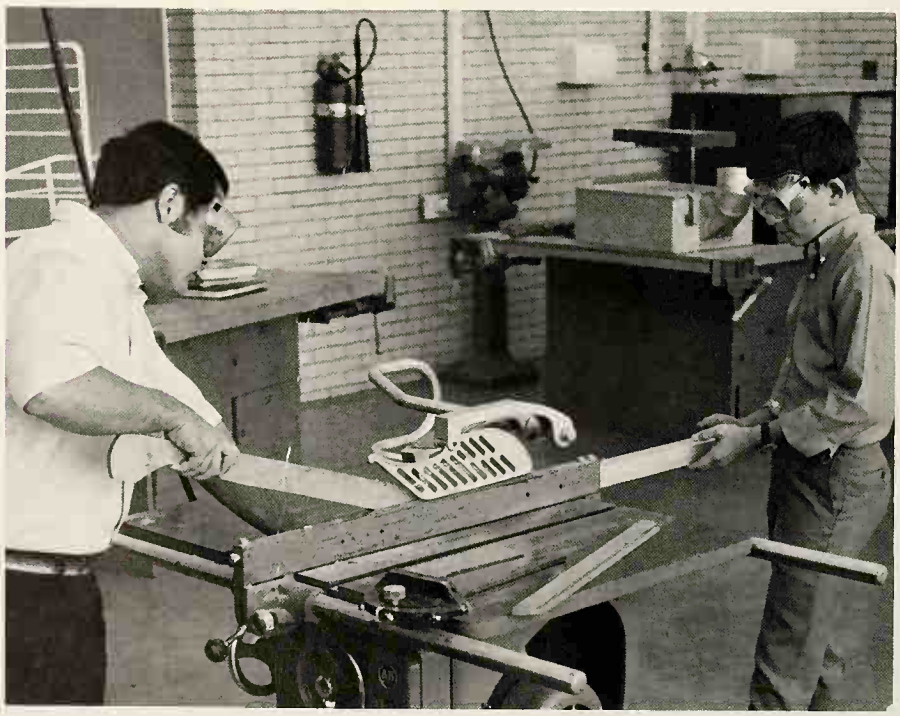


Things in Your Own Way



HARVEY S. FIR

Individuality Extends Throughout the Entire Day,



in Every Class, Club, or Dance

For the Firestone Falcons, expressing themselves was a full time occupation. Throughout each school day students concentrated on their own particiular interests.

Lunch periods became a time for intramurals, ticket selling, last minute studying, and occasional relaxing.

After school hours were filled with club meetings, sign painting, decorating, selling candy, and other assorted activities.

Falcons, however, think the best way to express themselves is to enjoy themselves — and students at FHS went from a Hawaiian luau to roller skating parties to formal dances doing exactly that.

Spirit Is the Magic Potion That Produces Cooperation

Spirit is the single element that most Falcons seem to have in common. It works as the main force behind that formation of a cooperative student body.

This spirit is expressed in many different places, at many different times; but it is best shown at the end of a game or pep assembly when everyone joins in shouting the last line of the alma mater, "All hail to the Green and Gold."

ADMINISTRATION

AND

FACULTY

Mr. William Tenney has been the principal of Firestone High for four years. During these years Mr. Tenney's leadership has enabled the school to make advances in all areas. He has improved student-administration relations by helping to create new programs such as the student center and the open-lunch periods. Before coming to Firestone, Mr. Tenney was principal of Akron Evening High School, Secondary Summer Schools, and Jennings Junior High. Mr. Tenney's many accomplishments have earned him the admiration and respect of the entire student body.

The Office--Catalyst

Mr. Calvin Tritt has been the assistant principal at Firestone High School since its beginning in 1962. As assistant principal he is concerned with student discipline, the payment of delinquent fees, operation of the book store, and the handling of textbooks. Mr. Tritt is always working to improve the attitude and atmosphere of Firestone.

PHYLLIS LERCH

The counseling staff at Firestone is always available in time of need. Students can always depend on its members to help with both their academic and personal problems. The staff is made up of Miss Ruth Courtney, Mr. Kay Fluke, and Miss Phyllis Lerch.

Secretaries Mrs. Inez Schmidt, Mrs. Suzanne Fischer, and Mrs. Alice Scoville keep the office running smoothly and help Principal Tenney run the school efficiently.

The Study of Great Literature Enriches Life

The English department introduces students to some of the world's finest literature. Students also have an opportunity to improve their vocabularies, usage, and writing and verbal skills. Sophomore classes are taught by Mr. Earl Love, Mrs. Ruth Nilsson, and Mr. David Robb. Most juniors and the sophomore honor classes study American literature with Mrs. Florence Rosenfeld, Mr. Richard Pasher, and Mr. Thomas Smith. Miss Nancy Mettler, Mrs. Margaret Van-Horne, Mr. John Vandever, Mrs. Sandra Kent, and Mr. Robb teach English literature to seniors and junior honor students. Senior honors and advanced placement classes study world literature under Mr. Vandever and Miss Mettler.

Mr. Smith has classes in drama and speech. He also conducts an independent reading seminar and is coach of the debate team.

As well as teaching sophomore English, Mr. Love is the adviser of the visual aids department.

Mr. Vandever chit-chats with his class.

Firestone's planetarium was built for the use of astronomy students from the entire Akron area. Akron U. classes, city-wide grade and junior high schools, and adult astronomy classes all use the planetarium.

Informative lectures about the stars are given every week-day by Mr. Donald Hammett. The fifty-foot dome of the planetarium enables students to see stars which are not always visible in the sky over an urban area such as ours.

The Firestone library has become much more than just a storage room for books. Under the guidance of Miss Virginia Himebaugh, the library has acquired many kinds of visual and audio equipment such as stereo tape equipment, slide making ektographs, copy press, and film strip viewers.

New this year is a microfilm projector. This machine enables the library to easily store information that originally appeared in newspapers and magazines.

Magazines, newspapers, and over 9,000 books are circulated through the library. It is now also possible to borrow one of the many stereo recordings that are in the library.

Miss Himebaugh investigates the new visual aids equipment in the library.

Social Studies is a required subject for all students every year. Sophomores study either world geography or world history; juniors take American history; seniors take on problems of democracy. Electives in this department include sociology, world geography and economics.

Teaching P.O.D. are Mr. Michael Barich, Mr. Ronald Snider and Mr. David Marshall. Mrs. Mary Ann Nebiker, Miss Jeanne Klocker and Mr. Alex Adams handle the American history classes, while Mrs. Virginia Barbieri, Miss Klocker and Mr. Richard Mack teach world history. Economics is taught by Mr. Thomas Myers, Miss Klocker and Mr. Robert Whitney who took over for Mr. Mack at the semester break. Mr. Meyers also teaches world geography.

The mathematics department at Firestone offers the studies of business and refresher math, Algebra I and II, geometry, math analysis, and advance placement calculus.

Business math and refresher math are taught by Mr. Glyn Parker.

Mrs. Dorothy Vance, Mr. Virgil Yeynert, and Mr. Alex Rachita teach Algebra I and II, which emphasizes the understanding of abstract mathematics. Geometry, taught by Mr. Yeynert, Mr. Rachita, and Mr. Waldemar Bender, stresses logical proof and systematic thinking. This provides the background for more advanced math studies such as math analysis, taught by Mr. Rachita, and calculus, taught by Mr. Donald Nutter. Analysis is the study of analitical geometry and elementary functions and serves as an introduction to calculus, which involves the concepts of limits and rates of change and differentiation.

Biology, which is offered only to sophomores, is the study of all living matter. It is taught by Mr. Robert Wallace (pictured on page 30).

Mr. Charles Weiss and Mr. William Hunt teach chemistry to juniors and seniors. Chemistry involves experimentation with the elements, compounds, and reactions. This provides a basis for logical thinking.

Physics, taught by Mr. Gordon Johnson, is also offered to juniors and seniors. It involves the properties of matter and energy and their transformations.

Physical science involves the basics of both chemistry and physics, and gives students a general view of science. It is taught by Mr. Glyn Parker.

The study of foreign languages at Firestone enables a student to learn not only how to read, write and speak the language, but also the culture of the people who use the language. Those languages which can be taken include French, German, Latin, Spanish and this year for the first time Russian. Second, third and fourth year courses are offered for all languages except Russian, and advanced placement classes are given in French and Spanish. Miss Patricia Wolfe and Mr. William Filey teach French, while the Spanish teachers include Mr. Donald Hanlon, Mrs. Maria Todorovic and Mr. Filey. Mrs. Todorovic also teaches German and Mr. Bruce Blake handles the Latin classes. Russian is taught by Mr. Ronald Snider.

The fine arts department develops an appreciation of culture in the students at Firestone. The art department teaches courses in art appreciation, drawing design, painting, crafts and sculpture. These classes are taught by Mr. Denis Chasek and Mr. Jere Culver. Students also have a variety of music classes from which they can choose. These are choir, music theory, and music history taught by Mr. Arnold Thomas. Mr. Joseph Lentine teaches band and orchestra.

Mr. Lentine's got the heat.

Vocational Arts- Learning by Doing

Firestone offers a wide variety of courses to develop manual skills in the Commercial Arts Department. Teaching in this section are Mr. Paul McKeever, Mrs. Vivian Gillman, and Mrs. Evelyn Smith. Mr. McKeever instructs students in mechanical drawing, wood shop, and metal shop. These classes are in planning, design, and construction.

Food classes are taught by Mrs. Vivian Gillman. The girls in her classes learn the basics of nutrition and how to prepare food. Mrs. Smith teaches clothing and home decorating classes in which one learns how to create her own clothing and decorate her home.

So that's what they do in mechanical drawing!

Typing, shorthand, and bookkeeping are the three commercial subjects taught by Mrs. Ida Jack, Mrs. Beatrice Laatch, and Mr. Gilbert Katz. These subjects help to prepare students who are planning a career in business and also to equip the college-bound student with skills necessary to continue his studies.

Typing and shorthand are taught by Mrs. Jack and Mrs. Laatch. Mr. Katz teaches bookkeeping.

Hard at work in the staff room, Mr. Katz always prepares ahead of time for class.

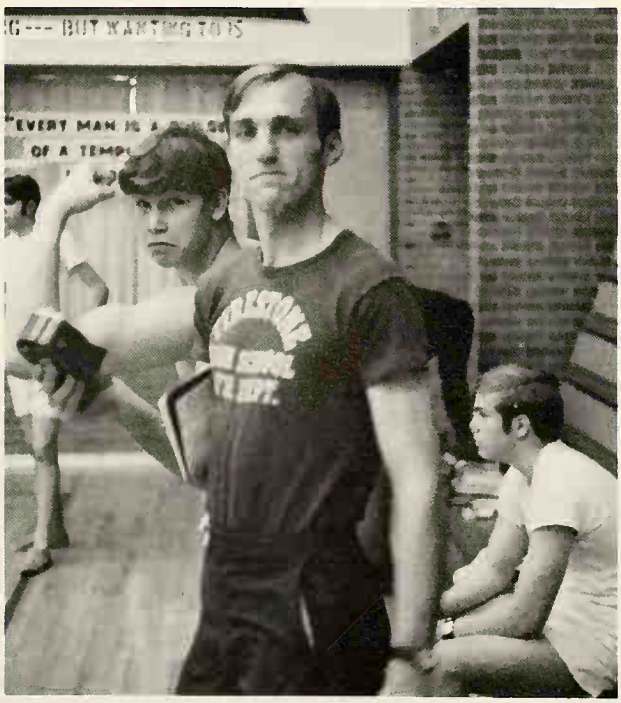
Every Man Builds a Temple Called His Body



Physical Education is essential in creating a well rounded individual. Under the instruction of Mrs. Joanne Folatko, Mr. William Heideman, Miss Judith Hope and Mr. Dick Wells, seniors and sophomores improve their skill and coordination through the use of the pool and gymnasium.

All junior students take health with either Mrs. Tula Cosmoglos, Mrs. Folatko, Mr. Jerry Sipka or Mr. Robert Wallace. Health classes stress good driving techniques, proper grooming and first aid assistance.

A proposal by senior Rick Sutton and a desire for more communication between students and faculty produced a unique student-teacher government and changes throughout the school. The new coalition, composed of ten teachers and ten students, altered many Firestone regulations that Student Council previously seemed unable to change.

For the first time, students were allowed to use their own judgment about the way they dressed. Open lunch periods provided more freedom of movement for all. The Coalition was also responsible for the operation of the student lounge and the hall-pass system.

Coalition gives students more freedom in their dress and use of free time.

Old Government Paves Way for the New

During their last semester in operation, Firestone's student council members spent much of their time paving the way for the new coalition to take effect. Rick Sutton's rough draft for the student-teacher coalition government was revised several times and was finally ratified unanimously by Student Council. The charter, approved by Principal William Tenney, was ratified by the student body and administration by a large majority. New lines of communication between faculty and students were now open.

1969 Homecoming Court: Jenny Lenox, Aleta Anthe, Chris Treml, Marybeth Bond, Queen Dale Silver, Crowner Dona Carlson, Elise Emich, Shelley Bennett, Sue Weller, Renae Richards.

With Victory Over Central

A 14-6 victory over Central set the mood for the enthusiastic reception of the 1969 Homecoming Court. Falcons cheered as Dale Silver was crowned Queen by Dona Carlson during halftime ceremonies. Football co-captains Steve Botnick and John Guran assisted in the presentation of the crown while Ed Pittman kissed the Queen and gave her an inscribed football. Through their sincere congratulations to Dale, all court members showed that they possess true Falcon sportsmanship.

"Memories Are Made of This"

October 4, 1969, Firestone held its seventh annual homecoming dance. Dale and her court reigned as Falcons danced to the sound of Hobson's Choice. Ron Sweet provided background music for the introduction of the court. "The New Era," a folk group with Tom Hackim, Rick Sutton, Jean Shipman and Cathy Chapman also played during intermission. Following Firestone tradition, court members gave the first dance after intermission to their fathers.

King Arthur's Court

Nimue enchants Merlyn away from Camelot.

King Pellinore's arrival in Camelot baffles and amuses the townsfolk.

Under the direction of Mr. Arnold Thomas and Mr. Joseph Lentine, the music department's production of Lerner and Loewe's *Camelot*, November 15, 21, and 22, truly carried out the theme of individualism. King Arthur's steadfast belief in honor, justice, and the worth of man against all opposition is both unique and inspiring.

The play is set in medieval England where King Arthur, under the guidance of his tutor, Merlyn, is about to be married to Guenevere. Merlyn soon leaves Camelot, but Arthur follows his teachings by creating the Round Table, an institution that attracts the knight Lancelot. Lancelot and Guenevere fall in love, and Lancelot, condemned as a traitor, is forced to wage war on Arthur, destroying Camelot but not Arthur's ideals.

Workers behind the scenes were Ann Davies, stage manager; Mr. Chasek, scenery design; Mr. McKeever, scenery construction; Mrs. Snell, tickets; and Mrs. Moran, program.

Alone together, Guenevere and Lancelot (Steve Dagilis) acknowledge their love for each other.

Enchants and Enraptures Audience

King Arthur tries to ignore the love between Guenevere and Lancelot (Ron Sweet).

Mordred persuades his aunt, Morgan Le Fey, and her court to bewitch Arthur.

Choirs, Ensembles, Strive For Perfection

This year's music department continued it's early established tradition of excellence. Choir members, under the direction of Mr. Arnold Thomas, rose to new heights as they acquired a superior rating in the district contest, enabling them to travel to the state contest where they received an excellent rating in high school competition.

Besides entertaining the school with various programs and concerts, the choir also performed for organizations such as the Kiwanis Club.

Throughout the entire school year, many Falcons devoted much of their free time in helping the administration operate Firestone.

One of the duties of the visual aids department is setting up the projectors and showing movies to various classes. The stage crew helps in musical productions and plays by working the lights and moving scenery.

The office workers are girls who help the secretaries with their duties in the office, while the bookstore workers sell books and other supplies to Firestone students before school and during both lunch periods.

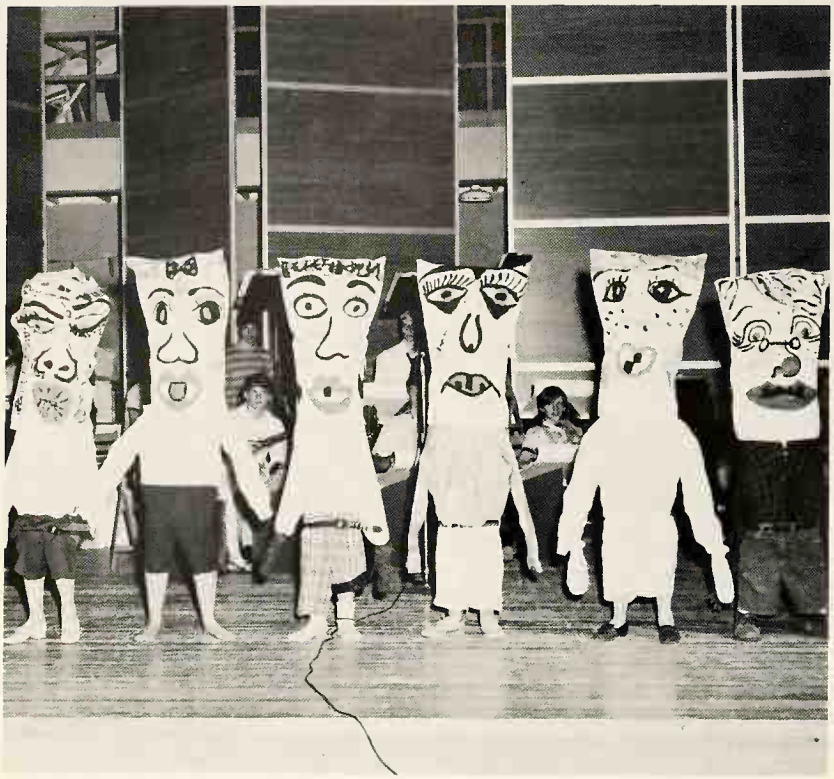
Audience Responds to Student



There were some pretty weird acts in the Green and Gold Review, but this tops 'em all!

Andy Dimit and Gordon Jones used tongue tying tactics in their baseball skit.

Receiving constant backing from the stage band, Falcons presented their talents to the student body in the second Green and Gold Review May 23. Sponsored by the music department under the direction of Mr. Joseph Lentine and Mr. Arnold Thomas, the show featured comedy skits, dancing, singing, and instrumental numbers. The Green and Gold Diggers were featured performers.

Polly Porter belts it out at the talent show.

Those girls in the jug band had the joint jumpin' with that good ol' Mountain Dew.

Talents in Comedy and Music

There goes Malcom Lanning doing his old "finger on the elevator button" trick.

What would the Green and Gold Review be without the Green and Gold Diggers? Don't answer that question!

Scarborough Fair

Crown-bearer Denise LaCroix looks on as Jan Allen crowns Queen Teri.

Falcons officially ushered in spring on Saturday, May 2 in the suitably romantic setting of "Scarborough Fair". The cafeteria was transformed into an old fashioned carousel in which couples danced to the music of the "Richard Wittington Adventure". During intermission junior Herb Johnson, with "Commonfolk" softly singing Scarborough Fair in the background, introduced the 1970 May Court.

The excitement climaxed as Jan Allen crowned queen Teri Moran. Junior Nancy Keller was dance chairman.

Everyone enjoyed the music of the "Richard Wittington Adventure."

Jan Allen and Bruce Hampton join Vicki Vandall and Bob Himmelright for a little peace and quiet in the courtyard.

Gridders Record Best Season Ever; Earn Playoff Berth

Through effort and determination the 1969 Firestone gridders achieved the best record in the school's history. They finished the season with a 4-4-1 overall record and a 3-3-1 City Series record. Also for the first time in school history the Falcons were the recipients of the tomahawk in the traditional ceremonies after the game with arch-rival Buchtel.

Their key to victory seemed to be the experience, conditioning, and dedication of the squad. The return of many lettermen helped Firestone to field strong units both offensively and defensively.

Regardless of the absence of the "Dirty Dozen" unit, the Falcons produced many excellent defensive players. Such were tackle, Jeff Merrow; end, Greg Foreman; linebackers, John Roetzel and John Guran; and defensive backs Bill Forester and Gary Church.

The season also showed fine offensive players. The usual offensive unit consisted of Tom Rozuk at quarterback; Bill Brownfield, center; Brad Horning and John Guran, guards; Ed Pitman and Dan Riggs, tackles; Greg Timberlake, Pete Stoecklein and Jeff Mitchell, ends. In the backfield were fullback Steve Botnick and halfback Gary Church. Sharing the setback position were Steve Spelman and Mike Cleary.

Team honors included Most Valuable, Steve Botnick and John Guran; Most Improved, Brad Horning; Best Offensive Lineman, Ed Pittman; Best Offensive Back, Gary Church; Best Defensive Lineman, Greg Foreman; and Best Defensive Back, Bill Forester.

Six Falcons were selected to the All-City roster. John Guran was chosen a first team offensive guard. Greg Foreman, Jeff Merrow and Gary Church were picked for second team defensive end, defensive tackle, and defensive back respectively. Steve Botnick and Steve Spelman made the honorable mention list.

In addition to the regulars, the Firestone coaching staff boasted a new member for the 1969 season. Coach Ron Laubaugh replaced last year's Tom Maximovich and proved an asset to the team. Others providing leadership and assistance were Head Coach Robert Wallace and Coaches Gerald Sipka, David Marshall, and Thomas Floyd. Managing the team were Jerry Lesnick, Bill Ritter, and Tim Dolwick.

Ability, Depth Are Determining

Tom Rozuk's passing was effective many times as he threaded the needle for necessary gains.

Strong outside blocking was provided on many a running occasion by Ed Pittman.

Jeff Merrow was deadly to the passer as he shows here in the Central game.

Factors in Falcons' Good Season

Steve Botnick proved to be quite a powerhouse by providing that extra yardage up the middle.

SEASON RECORD 5-0

For the 1969 cross country team it was a year of victory. Under head coach Alex Adams and coach Bill Heideman the Harriers came through undefeated in dual and triangular meets. To top their season victories the Falcons captured the City title, placed 2nd in the District and finished 6th in the Regional competitions.

The leading runners for the Harriers were seniors Jim Detweiler, 2nd in City, 10th in District; and Carl Yehnert, 3rd in City, 11th in District. Other outstanding seniors included Nick Lekas, 10th in City, 24th in District, and Chris Wolfe.

Also important to the Falcon's success were juniors Steve Sanders, 13th in City, 15th in District; and Nick Buian, 15th in City; and 24th in District. More runners who contributed throughout the season were Ken Stanton, sophomores; Doug Shoup, junior; Steve Michael, senior; and Jim Psarras, senior.

Nick Buian and Nick Lekas helped the Falcons make the 1969 season successful.

Victory During a Rebuilding Year

It was a year of rebuilding for the 1970 roundballers, although they did earn a good season's record. Suffering from a lack of returning starters, the Falcons were in a tight spot as were many of the City-Series teams at the outset of the season.

This factor, combined with others, caused them to lose their opening two games to Walsh and North. At this point the Falcons seemed to take a back seat in the City-Series race. Refusing to be counted out, the roundballers came back to win five-consecutive games, three over top-ranked district teams: Garfield, Stow, and Hower.

However, the Falcons later became victims of sporadic cold shooting and occasional careless playing which caused several disappointing losses through the remainder of the season. But excellence was often in the making as such teams as East, Kenmore, and Hoban fell to the powerful cagers. In one of the most excellent games of the season, one that was predicted as a close match, the Falcons shone brightly as they anihilated St. Vincent's.

It seemed that the "lucky basket" was to haunt Firestone forever, when as in previous years the Barberton cagers whipped in the winning basket at the last possible moment.

One of the outstanding factors in the Falcons games was their rebounding ability. They played many games where their height advantage was the winning factor.

Although the Falcons were riding high on a crest of victories upon entering the play-offs, it seemed that fate was to hold them short of the championship. They did defeat Hower in the season game, but the Bucs came back to hand the Falcons two heartbreaking losses in the Play-offs and the Sectional Tournament.

The 1970 team was truly a team. Instead of playing as a few individual stars, they played as a unit, and when one player was down, there was always another to pick up the slack.

At the annual awards banquet, Coach Alex Adams expressed his belief that the Best Team Players were Tom Rozuk, Ed Pittman, Don Hill, Ernie Puskas, and Steve Ostrov. Chris Wolfe received trophies for High-Scorer, Best Foul Shooter, and Hustler. In commendation for their outstanding boardwork, Hugh Pace and Ken Larson received the trophies for Best Defense. In addition, Hugh received the Clutch Award and Ken received the Sam M. Lesnick Dedication Award, a new one this year created by Coach Adams.

By earning the Best Field-Goal Percentage trophy, John Van Auker was awarded the most Improved Player trophy. He also received a trophy for the Most Rebounds. Finally, John Singer received the Outstanding Sophomore award.

As in years before, both Coach Adams and Coach Bill Heideman displayed their extreme closeness to the sport when tense moments came up in the games. Their excellent coaching abilities helped Firestone continue its winning tradition of basketball.

1970 JUNIOR VARSITY BASKETBALL TEAM: B. Otto, F. Karam, M. Katzenmeyer, A. Gates, M. Adamek, S. Marston, M. Christy, C. Belair, G. Kamvouris, R. Oldfield, H. Johnson, E. Fender, J. Singer

Falcons Taste Victory in Best Season

Firestone's wrestling team finished a record year with an 8-4 mark. This year's team boasted many veteran wrestlers, including Neal Sternberg, Jim Peterson, Bill Forester, Greg Forman, Bill Brownfield, and Bob Konstand. It was a year of team effort. The Falcon's shone under the guidance of Coach Ron Laubaugh.

Although the Falcons did not go as far during the season as they wished, they did turn in a fine performance at the Western Reserve Quadrangular meet, placing first. The team also made a good showing at the sectional meet. Neal Sternberg and Jim Peterson placed second in the competition and Bill Baird placed fourth. Neal and Jim went on to district where Neal was the victim of a double elimination. Jim finished second again and advanced to state competition. Here he was finally defeated.

Many strong prospects will be returning next year, all with varsity experience. These include Mike Manning, Frank Herman, Bill Baird, and Scott Ballard.

Cheerleaders Excel in Boosting Spirit

Nothing can stop them! They weather the elements during football, risk the crowds during basketball and survive the heat during swimming. For the cheerleaders the season never ends.

Selected by a panel of teachers and former cheerleaders, each year the girls attend band camp where they develop new routines. This along with after school practices enable the girls to generate the Spirit of FHS.

FHS cheerleaders can't keep their eyes off the field at crucial moments of the game.

Wells Departs After Seven Victorious Years

We would like to take this opportunity to dedicate the past 7 victorious years of swimming to Coach Dick Wells. In this time he has compiled an overall record of 152 wins and 14 loses in dual meets alone. In addition, his Falcons have earned two state titles, three district wins and four consecutive city titles. His superb coaching has placed many outstanding swimmers in colleges around the country.

Coach Wells has been invited to Columbia, South America, to coach the Antioquian District swim team in Medellin, Columbia. Here he will be working with a team in national and international competition. Along with readying this team for the Columbian National Championship in July, he will be training possible competitors from all Antioquia for the Pan American games in 1971.

A close event brings cheers for victory from the enthusiastic crowd.

With an inspired team effort and the power of last year's state championship, the Falcons turned in another outstanding season. Under the fine coaching of Dick Wells, Dave Robb and Larry Zoller the Tankers rallied to first place in both city and district meets, and sixth place in the state.

The victory over Ann Arbor Huron in Milan, Michigan, was considered to be the Falcons' finest victory of the season. State champions, Ann Arbor had a 47 meet winning streak until the Falcons crossed state lines and defeated them 55-50.

Through the season the fine 400 yard freestyle relay consisting of Jeff Dillingham, Bryce Palchick, Brian Wilson and Doug Spindler seemed to be the deciding event in many meets. In the state meet the relay finished fifth in the finals. Junior, Szaboles Batizy was considered the most impressive individual of the team. In district competition he broke the 200 yard individual medley record previously set by his brother, Arpad. At state Szaboles took third in the 400 yard freestyle and fourth in the 200 individual medley.

Besides participating in the 400 yard freestyle relay, co-captain Jeff Dillingham turned in fine performances in the 400 yard freestyle. His dedication helped to win him the Jack Taylor Memorial Award, given annually to the outstanding senior swimmer in the Akron Area.

This year's diving team was regarded as the best ever in school history. With the superb coaching of Larry Zoller, the divers consisting of Bill Lekas, Brian Comunale and Roger Blocher, dove to many hard earned and record breaking victories. Blocher and Comunale both placed in the state meet, taking 11th and 12th place respectively.

Brian Comunale succeeds by giving his full concentration to each dive.

Under the guiding hands of coaches Don Hammett and Bill Heideman the 1970 Firestone track team wrapped up a fine season with their best dual meet record ever of 4-1.

In invitational meets, however, the Thinclads fell to a 5th place in the Hendricks Relays and a 4th in the Greater Akron Relays. The team's finest meet of the season was the victory over state-rated East. The victory was sparked by the record breaking performances of Steve Ostrov in the 100 and 220 yard dash. Steve set a time of 10.15 in the 100, and broke his old 220 record with a time of 22.5. Also breaking a record this year was Bob Otto in the long jump with a leap of 20′ 5¾″.

As always the distance events were a strong point in the Falcon attack. Top distance runners were Steve Michaels and Ken Stanton in the mile and Carl Yehnert, Nick Buian, and Steve Sanders in the two mile. In the city meet Steve Sanders placed first in the two mile with an outstanding time of 9:44. This led Steve to qualify in the district meet of regionals and later to state. Also placing high in the city meet was Dan Umansky who took a 3rd place in the discus with a toss of 38′ 7″.

in City Tournament

Coach David Marshall's baseball team posted another record season in the midst of a fine effort for 1970. The team achieved a position of Greater Akron Baseball League Percentage Champs with a 9-2 record, with a 12-7 overall record.

However, East once again proved to be the spoiler as the Oriental's stopped the Falcons at the last possible moment — the championship game. The team came to the playoffs having suffered only one previous GABL loss, to East.

The Falcons entered the playoffs after a sensational win over Buchtel in which timely RBI's and good hitting were the keys to victory. In the playoff game, Firestone continued their streak by overpowering St. V. and upon entering the championship game the Falcons were riding high on a crest of four consecutive errorless games.

East then managed to catch the team in a sudden slump. Errors and cold hitting haunted the Falcons and kept them from the top spot.

On the bright side, the 1970 team boasted the best hitting averages in FHS history. In recognition of this, the top hitters, Hugh Pace and Steve Richardson received the Best Offense awards. Consistent team effort and ability were shown on the field, and for his part Jim Detweiler received the Best Defense award.

Dan Riggs and Hugh Pace received the Most Valuable Player awards to round out the honors.

The season was rewarding in still another way when three members of the team received city-wide honors. For his excellent record at first base Hugh Pace was named to the first team All-City squad. Likewise, Steve Richardson made the first team for his fine fielding, and Dan Riggs' pitching earned him a spot on the second team.

Denholm Keys Netmen's Victories

Under Head Coach Dick Wells the Falcon tennis team finished an impressive season with an overall record of 9-2 and finished 9-0 in the city.

The Netmen held their city series opponents to no more than two points in each match. The Falcons also shut out Hoban by the score of 5-0, leaving the Knights a goose egg to remember them by.

Captain Jeff Denholm was a strong contender and made the finals in district competition. Along with Jeff in singles throughout the season were Bob Garfinkel and Larry Bowers. In the doubles matches the teams of Denny Tompkins and Bob Schott and Phil Bartholomae and Steve Kalkofen added many needed points.

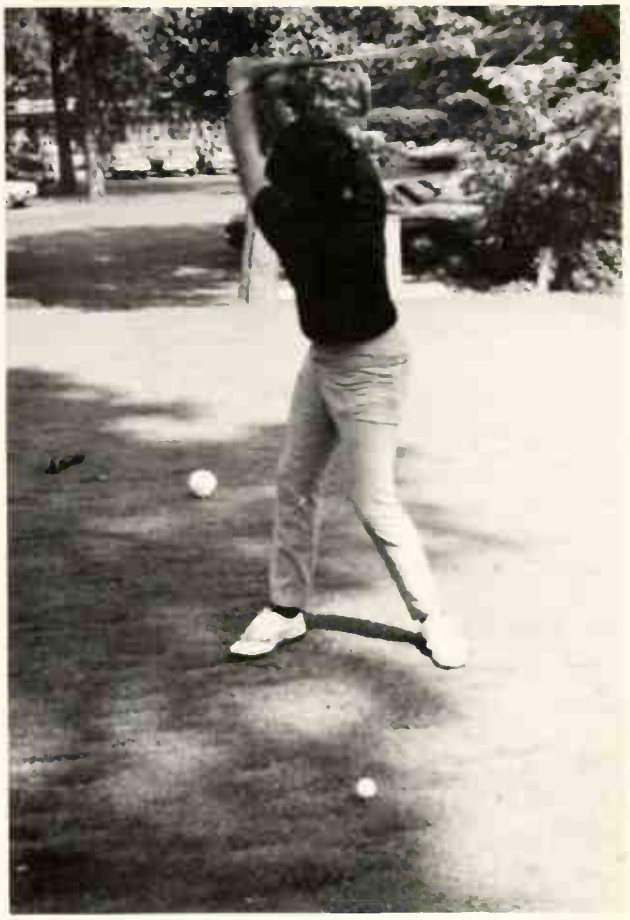
Nutter's Putters Make Gallant Bid at State

The golf team continued Firestone's winning tradition when, for the third consecutive year, they wrapped up the City and District championship titles. The team, coached by Donald Nutter turned in outstanding performances throughout the season.

The team's fine performances were led by Brian Jennings, Dave Thomas, and Bob Cooper who each won the medalist honors five, seven and two times respectively. Their overall record for the season was 16-4, carrying them right up to the state finals. In the City competition they were 10-1 and co-champs with the Falls and St. Vincent.

An example of their excellent season showing came in the District match when both Jennings and Thomas had a 77, and Cooper shot a 78 and Mark Goldfarb fired an 81.

In the championships in Columbus the team led the field by five strokes after the first round. It was only in the second round that victory eluded the Falcons when their scores failed to keep them beyond the competition.



Bob Cooper puts his power behind a blistering drive.

1970 Golf Team: M. Goldfarb, B. Cooper, D. Thomas, B. Jennings, Coach Nutter, M. Leeper, H. Bellows.

Twelve Earn NMSQT Finalist Status

Every year the National Merit Scholarship Test is offered to juniors. Only those ranking in the top one per cent of the students taking the test are eligible for semi-finalist standing. This year Firestone had twelve students achieving this status, and on the basis of their scholastic records, they were also named National Merit Finalists: John Albright, Mary P. Cox, James Detweiler, Jeffrey Dillingham, Marc Gertz, John Guran, Ulla Hansen, Marian Starner, Richard Sutton, Nancy Warner, Susan Willey, and Dorothy Whitmer. Pat Cox and Rick Sutton also each received National Merit Scholarships sponsored by the Goodyear Tire and Rubber Company.

In addition, Merit Scholarship Letters of Commendation were awarded to twenty-four seniors: Gregory Agins, Barbara Arison, Bruce Barnett, Lawrence Bowers, Stephanie Browne, Barbara Cook, Paula Debnar, David De Vries, Steven Joyce, Robert Kellerman, John Lacher, Robert Lancaster, Gail Lindsay, Mary Ann McDonald, Sara McGraw, Susan Muntean, Aaron Reaven, Jarrett Rosenberg, Susan Spindler, Andrew Stackel, John Washburn, A. Frederick Wilcox, Cinda Williams, and Margaret Yount.

The graveyard is the inevitable end for all the people of "Our Town."

Mrs. Soames gossips with the townspeople.

The public image that is so much a part of our life often blurs our concept of life. "Our Town" has no facade to speak of. It is simply a mirror of people. The characters in "Our Town" can move you to tears or shake you to laughter. They share with you their life — heart and soul. They let the viewer see their hatreds, their moments of joy, and their infinite love. "Our Town" is a play of you, a play of life and death.

pardon us!

Shakespeare said: "Neither a borrower, nor a lender be . . . "

In spite of that, we've loaned millions of dollars to help our customers buy homes . . . and hundreds of people trust us with their savings — ever since 1894.

Our apologies, Mr. Shakespeare.

On these pages are the faces of many individuals. These faces show the diversity of our students, expressed in their unique traits and talents. Although we stand divided on many issues, we have one thing in common that can't be ignored — whether we like it or not we are all part of a whole, the whole of Firestone High School.

As John Donne put it, "No man is an island, entire of itself; every man is a piece of the continent, a part of the main . . . " And so it will be for the rest of our lives.
